

Southpointe Pediatrics Suggested Speciality Providers

Unless your child has been directed to see a specialist by one of our physicians, this list is null and void. You must check with your insurance to verify which doctor is in your network and where to go for the best coverage. The physician you have to see may or may not be included on this list. This list includes suggestions only.

Please call our office and give 72 hours' notice with your child's appointment date, time and physician name and location, so a referral can be processed. If our office is not notified PRIOR to your child's appointment we do not guarantee a referral will be done and this MAY RESULT IN THE SPECIALIST APPOINTMENT BECOMING YOUR FINANCIAL RESPONSIBILITY.
